

Salvation is not simply getting out of Hell. If you have not come to Jesus Christ, you are fully under the “authority of darkness.” This dark kingdom is full of wickedness, sin, and destruction. It is a kingdom whose government promises you everything, but gives nothing, and destroys you in the process. And you cannot see this for the god of this age (the devil) has blinded your mind.

But there is a wonderful kingdom. Jesus Christ came to deliver you out of the authority of darkness into His kingdom, a kingdom of righteousness, peace, and joy in the Holy Spirit. Day by day you can walk in the reality of this kingdom. And one day, the Lord will return to conquer all His enemies. Be set free today. Repent. Stop choosing to walk in the kingdom of darkness, whose end is destruction. Come to Jesus Christ today, and have life.

HELL

Many people use the word hell, but few stop to consider what they’re saying. Some people even boast, saying they would not mind going to hell.
